Are you a fan of TTRPGs? Have you been tempted to try Pathfinder or Starfinder but didn't have the time? The holidays are over. What will you do with your time now? AtlantaPFS is always looking for new players and Game Masters, or people curious about the games who'd like to give them a try. We run games at venues throughout Metro Atlanta as well as virtually. To see our game schedule, navigate to Our Warhorn Page from the Join Us menu above, find a game, and come out to play. We look forward to seeing you at the tables!
